(Incorporated in Singapore)

We have audited the financial statements of Land Surveyors Board Singapore for the year ended 31st December 2006 as set out on pages 2 to 5. These financial statements are the responsibility of the Land Surveyors Board. Our responsibility is to express an opinion on the financial statements based on our audit.

We conducted our audit in accordance with Singapore Standards on Auditing. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the directors, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion,

- (a) the financial statements are :
 - i. in compliance with the requirements of Singapore Financial Reporting Standards and give a true and fair view; and
 - ii. in accordance with the Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Land Surveyors Board as at 31 December 2006 and the results and cash flows of the Land Surveyors Board for the financial year ended on that date; and
- (b) the accounting and other records required by the Board Constitution to be kept by the Company have been properly kept in accordance with the provisions of the Board Constitution.
