## COMMITTEES

### 8.1 Examinations Committee

- The Examinations Committee comprised:

|               |                     |
|---------------|---------------------|
| Chairperson - | Mr. Soh Kheng Peng  |
| Members -     | Mr. Lee Eng Soon    |
|               | Mr. Khoo Chong Teik |

- The Examinations Committee reviewed the Instructions to Candidate and Guidelines to Examiner as well as implemented a new format of the practical examinations.

### 8.2 Continuing Professional Development (CPD) Committee

- The CPD Committee comprised:

|               |                              |
|---------------|------------------------------|
| Chairperson - | Ms. Chua Limin Clara         |
| Members -     | Mr. Christopher Lee Teck Kim |
|               | Mr. Lim Pia Lian             |

- CPD activities are reviewed regularly to enable practising registered surveyors to engage in lifelong learning and upgrade their professional level of competence by keeping in touch with ongoing advances in knowledge, technology and the dynamic environment.
- To encourage participation in virtual events such as online e-learning programmes as well as webinars, the Board did not cap the maximum CPD units for this category of activities during the renewals of practising certificates for year 2023.

- Under the enhanced collaboration with the Singapore Institute of Surveyors and Valuers (SISV) signed under the Addendum to Memorandum of Understanding between the Board and SISV, registered surveyors who are not members of SISV will be allowed to use the SISV CPD unit system for reporting of participation in CPD activities.

**For the Financial Year Ended 31 December 2022**

---

In the opinion of the Board Members,

- (a) the financial statements of the Land Surveyors Board (the "Board") together with the notes thereto are properly drawn up in accordance with the provisions of the Land Surveyors Act 1991 (the "LS Act"), Public Sector (Governance) Act 2018 and Statutory Board Financial Reporting Standards in Singapore ("SB-FRS") so as to give a true and fair view of the financial position of the Board as at 31 December 2022, and of the financial performance, changes in accumulated fund, and cash flows of the Board for the financial year then ended;
- (b) at the date of this statement, there are reasonable grounds to believe that the Board will be able to pay its debts as and when they fall due; and
- (c) nothing came to our notice that caused us to believe that the receipts, expenditure and investment of moneys, and the acquisition and disposal of assets by the Board during the financial year have not been in accordance with the provisions of the LS Act and Public Sector (Governance) Act 2018 ("PSGA").

## INDEPENDENT AUDITOR'S REPORT

To the Member of  
Land Surveyors Board  
For the Financial Year Ended 31 December 2022

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the financial statements of Land Surveyors Board (the "Board"), which comprise the statement of financial position of the Board as at 31 December 2022, the statement of comprehensive income, statement of changes in fund and statement of cash flows of the Board for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Land Surveyors Act 1991 (the "LS Act"), Public Sector (Governance) Act 2018 ("PSGA") and Statutory Board Financial Reporting Standards in Singapore ("SB-FRS") so as to give a true and fair view of the financial position of the Board as at 31 December 2022, and of the financial performance, changes in fund, and cash flows of the Board for the financial year ended on that date.

#### *Basis for Opinion*

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Board in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### *Other Information*

Management is responsible for the other information. The other information comprises the Statement by the Board Members and the annual report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## INDEPENDENT AUDITOR'S REPORT

### Report on the Audit of the Financial Statements (Cont'd)

#### *Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the PSGA, LS Act and SB-FRS, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

A statutory board is constituted based on its constitutional act and its dissolution requires Parliament's approval. In preparing the financial statements, management is responsible for assessing the Board's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Board or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Board's financial reporting process.

#### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

## INDEPENDENT AUDITOR'S REPORT

To the Member of  
Land Surveyors Board  
For the Financial Year Ended 31 December 2022

### Report on the Audit of the Financial Statements (Cont'd)

#### *Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)*

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also: (cont'd)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Board's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Board to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### Report on other Legal and Regulatory Requirements

#### *Opinion*

In our opinion,

- (a) the receipts, expenditure, investment of moneys, and the acquisition and disposal of assets by the Board during the financial year are, in all material respects, in accordance with the provisions of the Public Sector (Governance) Act 2018; the LS Act and the requirements of any other written law applicable to moneys of or managed by the Board; and
- (b) proper accounting and other records have been kept, including records of all assets of the Board whether purchased, donated or otherwise.

#### *Basis for Opinion*

We conducted our audit in accordance with SSAs. Our responsibilities under those standards are further described in the '*Auditor's Responsibilities for the Compliance Audit*' section of our report. We are independent of the Board in accordance with the ACRA Code together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on management's compliance.

## INDEPENDENT AUDITOR'S REPORT

To the Member of  
Land Surveyors Board  
For the Financial Year Ended 31 December 2022

### Report on other Legal and Regulatory Requirements (Cont'd)

#### *Responsibilities of Management for Compliance with Legal and Regulatory Requirements*

Management is responsible for ensuring that the receipts, expenditure, investment of moneys, and the acquisition and disposal of assets, are in accordance with the provisions of the Public Sector (Governance) Act 2018, the LS Act and the requirements of any other written law applicable to moneys of or managed by the Board. This responsibility includes monitoring related compliance requirements relevant to the Board, and implementing accounting and internal controls as management determines are necessary to enable compliance with the requirements.

#### *Auditor's Responsibilities for the Compliance Audit*

Our responsibility is to express an opinion on management's compliance based on our audit of the financial statements. We planned and performed the compliance audit to obtain reasonable assurance about whether the receipts, expenditure, investment of moneys and the acquisition and disposal of assets, are in accordance with the provisions of the Public Sector (Governance) Act 2018, the LS Act and the requirements of any other written law applicable to moneys of or managed by the Board.

Our compliance audit includes obtaining an understanding of the internal control relevant to the receipts, expenditure, investment of moneys and the acquisition and disposal of assets; and assessing the risks of material misstatement of the financial statements from non-compliance, if any, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control. Because of the inherent limitations in any internal control system, non-compliances may nevertheless occur and not be detected.

**Land Surveyors Board**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 31 December 2022**

---

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

## **1. GENERAL INFORMATION**

Land Surveyors Board (the “Board”) is registered and domiciled in Singapore with its registered office is located at c/o Singapore Land Authority, 55 Newton Road, #12-01 Revenue House, Singapore 307987.

The main functions of the Board are:

- (a) to register individuals as surveyors and administer a register of surveyors, practitioners, and licenses;
- (b) to hold examinations to enable persons to qualify for registration as registered surveyors;
- (c) to oversee the professional learning, standard, and conduct of all registered surveyors through the Land Surveyors Act;
- (d) to encourage practicing surveyors to undertake appropriate education and relevant Continuing Professional Development to maintain competency and professional knowledge and skills;
- (e) to license corporations and partnerships which supply survey services in Singapore; and
- (f) to investigate complaints against registered surveyors and take disciplinary action which may arise as a result of the investigation.

### Authorisation of financial statements

The financial statements of the Board for the financial year ended 31 December 2022 were authorised for issue by the Board Members on the date of Statement by the Board Members.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **2.1 Basis of preparation**

The financial statements have been prepared in accordance with the provisions of the Public Sector (Governance) Act 2018, LS Act and Statutory Board Financial Reporting Standards in Singapore (“SB-FRS”). The financial statements have been prepared under the historical cost convention, except as disclosed in the accounting policies below.

The financial statements of the Board are presented in Singapore Dollars (“\$”), which is the functional currency of the Board.

### **2.2 Adoption of new and amended standards and interpretations**

The accounting policies adopted are consistent with those of the previous financial year except that in the current financial year, the Board has adopted all the new and revised standards which are effective for annual financial periods beginning on or after 01 January 2022. The adoption of these new/revised standards and interpretations did not result in any substantial changes to the accounting policies of the Board or have any material effect on the financial performance or position of the Board.

**Land Surveyors Board**

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 31 December 2022**

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

**2.3 Standards issued but not yet effective**

Certain new standards, amendments to standards and interpretations are issued but effective for annual financial periods beginning on or after 01 January 2023, and which the Board has not been early adopted in preparing these financial statements. None of these are expected to have a significant impact on the Board's financial statements in the year of initial application.

**2.4 Foreign currency transactions and balances**

Transactions in foreign currencies are measured in the functional currency of the Board and are recorded on initial recognition in the functional currency at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in the statement of comprehensive income.

**2.5 Financial instruments**

**(a) Financial assets**

The Board has only debt instruments at amortised cost.

**Initial recognition and measurement**

Financial assets are recognised when, and only when the Board becomes party to the contractual provisions of the instruments.

At initial recognition, the Board measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss ("FVPL"), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVPL are expensed in profit or loss.

Other receivables are measured at the amount of consideration to which the Board expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third party, if the other receivables do not contain a significant financing component at initial recognition.

**Subsequent measurement**

Financial assets that are held for the collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are measured at amortised cost using effective interest method, less impairment. Gains and losses are recognised in profit or loss when the assets are derecognised or impaired, and through the amortisation process.

**Land Surveyors Board**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**For the Financial Year Ended 31 December 2022**

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

2.5 Financial instruments (cont'd)

(a) Financial assets (cont'd)

Derecognition

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

(b) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Board becomes a party to the contractual provisions of the financial instrument. The Board determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at FVPL, directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at FVPL are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. On derecognition, the difference between the carrying amounts and the consideration paid is recognised in profit or loss.

2.6 Impairment of financial assets

The Board recognises an allowance for expected credit losses ("ECLs") for all debt instruments not held at FVPL. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Board expects to receive, discounted at an approximation of the original effective interest rate.

The Board applies a simplified approach in calculating ECLs. Therefore, the Board does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date.

## Land Surveyors Board

### NOTES TO THE FINANCIAL STATEMENTS For the Financial Year Ended 31 December 2022

---

#### **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

##### **2.6 Impairment of financial assets (cont'd)**

The Board consider a financial asset to be in default when internal or external information indicates that the Board is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancement held by the Board. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

##### **2.7 Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank, cash on hand and fixed deposits that are subject to an insignificant risk of changes in value.

##### **2.8 Provisions**

Provisions are recognised when the Board has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources embodying economic benefits will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

##### **2.9 Contribution to consolidated fund**

Under Section 13(1(e)) and First Schedule of the Singapore Income Tax Act 1947, the Board is exempt from income tax.

In lieu of income tax, the Board is required to make contribution to the Government Consolidated Fund in accordance with the Statutory Corporations (Contributions to Consolidated Fund) Act 1989. The provision is based on the guideline specified by the Ministry of Finance which is computed based on the surplus of the Board for each of the financial year at the prevailing corporate tax rate for the Financial Year. Contribution to consolidated fund is provided for on an accrual basis.

##### **2.10 Revenue recognition**

Revenue is measured based on the consideration to which the Board expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Revenue is recognised when the Board satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

**Land Surveyors Board**

**NOTES TO THE FINANCIAL STATEMENTS  
For the Financial Year Ended 31 December 2022**

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

2.10 Revenue recognition (cont'd)

Application for practicing certificates and fees for licensing of corporation

Application for practicing certificates and fees for licensing of corporation received in advance are deferred and recognised as income over the validity period of the license.

Interest income

Interest income from fixed deposits is recognised over the period of time using effective interest method.

Examination fees

Examination fees are recognised at the point in time which the candidates applied to sit for the examinations.

2.11 Contingencies

A contingent liability is:

- (a) a possible obligation that arises from past events whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Board; or
- (b) a present obligation that arises from past events but is not recognised because:
  - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - (ii) the amount of the obligation cannot be measured within sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Board.

**3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES**

The preparation of the Board's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of the revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of reporting period. Uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

Management is of the opinion that there is no significant judgement made in applying accounting policies, and no estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

**9. FUND MANAGEMENT**

The primary objective of the Board's fund management is to ensure that the funding from Registered Surveyors and other sources are properly managed and used to support its operations.

The Board manages its fund structure and makes adjustments to it, in light of changes in economic conditions. No changes were made to the objectives, policies or processes during the financial years ended 31 December 2022 and 2021 respectively.

The Board is not subjected to externally imposed capital requirements.

**10. FAIR VALUE OF FINANCIAL ASSETS AND LIABILITY**

No financial assets or liability were measured at fair value as at financial year end.

The carrying amounts of financial assets and liability on the statement of financial position approximate their respective fair values due to the relatively short-term maturity of these financial instruments.

The management consider that the carrying amounts of financial assets and liability recorded at amortised cost in the financial statements approximate their fair values.

**11. FINANCIAL RISK MANAGEMENT**

The Board is exposed to financial risk arising from its operations and use of financial instruments. The key financial risk includes liquidity risk. The Board review and agrees on policies and procedures for the management of this risk, which are executed by management. It is, and has been, throughout the current and previous financial year, the Board's policy that no trading in derivatives for speculative purposes shall be undertaken. There has been no significant change to the Board's exposure arising from this financial risk or the manner in which it manages and measures this risk.

**Liquidity risk**

Liquidity risk is the risk that the Board may not be able to settle or meet its obligations on time or at a reasonable price. The Board actively manages its debt maturity profile, operating cash flows and the availability of funding so as to ensure that all repayment and funding needs are met. As part of its overall prudent liquidity management, the Board maintains sufficient level of cash and bank balances, and internally generated cash flows to finance its activities.

All financial liability at the end of the reporting period are repayable within one year from the reporting date.
